I'm all for sex. All in and all day. My libido is the best one that I know of. My hormones are always moaning for cock. Somehow, there's a little itch inside me that needs a good scratching and only a cock can reach it. But, mind you, it's gotta be a nice cock. Nothing too veiny or with a big bulby head. I want it to look good going into my mouth or pussy!

WANT TO SEE MINE?...

.....

Last year I went back to summer school to try to further my education. It turned out to be a lot of fun. I didn't learn much but I got to fuck a lot of girls that I met there. I thought it was such a cool thing that I decided to enroll in night school to see what that was all about. I took an art class because I thought the most liberal girls would be in it, and was I right. There were three of them and one was married and a couple had kids but no husbands. As far as I was concerned, they were all fair game.

One evening I was drifting off in class, actually trying to fall asleep when I hear, "Justin, quit staring at my butt?" That was Rockie, the cute blonde that sits right in front of me. "I'm not, but you know your ass is so hot." She turns around and giggles at me. I pick up the sign this time and after class I invite her for coffee.

We go to the corner coffee shop and find a small sofa to sit at. I get the drinks and after a few we get to talking about our sex lives. Mine isn't too

interesting and, it turns out, neither was hers. She says her boyfriend has a small cock. She thought it was cool at the start because she could easily get it all in her mouth, but when it never got much bigger, it never satisfied her pussy. She asks me what my size is and I humbly brag that it's eight inches. She leans over and looks at my crotch and says "Let me see it!"

She reaches down but I stop her. We're in a public place, I thought. But now the damage was done. My penis starts to grow in my pants. I wanted to take it out and show her but I didn't. She suggested we go back to my place so she could see it. How could I refuse, horn dog that I was. We get to my place and park it on the couch. "I gotta get home soon, so let me see it." she says. Immediately she unbuttoned my pants and pulled them down. She grabbed it, and when she saw it perk up after fingering it for a second, she started asking me all sorts of questions because she said her man had lost interest in sex.

.....

"Justin, quit staring at my butt?"

That was Rockie, the cute blonde that sits right in front of me.

"I'm not, but you know your ass is so hot."

BLAIR-NTG-03

I told I hadn't, as she could see from my now seven-inch-on-the-way-to-eight-inch cock. She giggled some more when, in return, I asked to see her boobies. She unbuttoned the front of her shirt and there they were, full and round in her bra. I took off her shirt and went to take off her bra when she looked at me smiled and turned around. She told me how bad she had been and that I should take it off for her.

After that, I took off her panties and started to rub her clit. She told me to rub faster so I rubbed faster with my tongue darting in and out of her pussy. She seemed to really enjoy it so I went faster until she said watch out, but that turned me on more so I kept licking. When she came she screamed. I lapped up her pussy juice but left plenty for lubrication. She turned around and grabbed my cock and she was going to please me now. She grabbed my penis and shoved it in her pussy only once to get the juices all over it, then she started to work her digi-magic.

Her hands were way better than mine, softer, more tender, more attentive. Then she started making rings around the head with her tongue.

.....

Within three minutes of this attention, I managed to get a "I'm cumming!" out of my mouth but she sucked on it until I was screaming in pain because of how tender it got after cumming.

But Rockie couldn't stop. I could only watch as her tongue circled the head once more being sure to get under the rim, searching out every last drop. When she finally was satisfied, she hurriedly got dressed and headed for the door. "I gotta go right now," she said. "I'm gonna give my boyfriend the best blow job he's ever had." Damn, and there wasn't a damn thing that I could say to that?

— Justin in Tempe

ROMANCE U...

Despite my youngish age (I'm twenty), I have always been told that I have an old soul; although I know myself to also have a naturally youthful attitude toward life, and understanding of the absolute importance of joy and ultimately, of sex. In this crazy world sometimes it is the most essential, and human of needs that are left by the wayside.

She grabbed my penis and shoved it in her pussy only once to get the juices all over it, then she started to work her digi-magic.

Since I have a great passion and inner need to look after and care for people, I am determined to cater to all of these needs. This could be having an open ear for you, a gentle touch, sharing laughs, experience intimacy and providing genuine companionship. To me, this is what a good companion does and I strive to be your perfect partner in escape and fun.

Just like the time I knew I was being naughty and I knew I was excited by it but I just kept kissing, opening my mouth and letting his tongue explore mine, sharing our breathing until we'd started rubbing our hips together. My boobs were mashed against his lower chest and I could feel hardness against me. In a few more minutes he asked me if I was still okay with this and my answer was reaching down between us and feeling his cock through his pants while starting a very deep kiss which I remember ended with him taking me into the bedroom.

I reached around and fumbled a bit with his belt buckle, his zipper and, breathing really, really fast, forced my wrist and hand inside his opened pants until I could actually feel the skin of his cock. It was hard, very thick and

quite long with two large, very warm balls beneath. The head was covered by skin when I first touched it and I knew I was feeling my first ever uncut cock, actually, the third or fourth cock I'd ever felt. When I touched the tip, then fondled his balls, he squirmed, moved his legs apart and reached around to take my skirt off and find the waistband of my panties. He pulled it back and slide his big fingers down to the thin black hair on my front down low and then rubbed the very wet lips of my opening.

When he did that, I almost fell on the floor as my legs suddenly went very weak. He caught me, lifted me and took me to the bed where I remember he leaned me against it, removed my top, my bra, slid my lace panties and skirt off. He then stood, never taking his eyes off me, and dropped all his clothes and sat me down facing him.

Dear reader: please close your eyes and imagine what I am doing to him. A proper lady is only a tease. She does not kiss and tell. I will tell you, I was not a proper lady that night.

courtney's devine booty

A year ago I never thought I'd be having sex on camera. I was content to be at home doing what I'm supposed to be doing. Then one of my girlfriend's told me that she posed nude for a photographer and what a great time she had. She invited me the next time and I went. Well, it did seem like a lot of fun and a week later, I decided to do it.

I had always wanted to be a glamorous model, but there was just one thing in my way... my height. At 5' 3"

I was a little too short, okay, quite a bit too short to have a legitimate chance at modeling. I have, however, found an outlet with erotic photography. Then I discovered having sex on camera was a lot of fun. And you know what they say: girls just wanna have fun!

caught in the act

For me, there didn't seem to be a point of going to college any more - it was boring, there were lots of rules, and the days seemed to stretch out endlessly. It was the middle of winter in Columbus, which only seemed to add to the feeling of claustrophobia that I was developing. But I had to stick with it. Only one more semester and I will graduate. Only six more months of this then I can be my own man and make my own rules. I hope I'm right.

Economics 203 was not my best nor my worst class, however, because I was crushing on the prof, Mrs. Garrett. I hadn't missed a class all year and I actually try to learn the stuff, but it's hard and I keep telling myself that I'll never use it after I graduate. Oftentimes she'd be talking math and I'd dream that I was fucking her. I didn't care if she was married or not. She was articulate, wore glasses, in her mid thirties, with her hair always in a pony tail. She usually wore slim fitting black jeans, and was quite attractive. She was a friendly teacher who was able to joke with the students, which was a refreshing change. This crush had developed over the first semester but initially I had not really noticed her in that way. But gradually, week by week, I had become more and more interested in her, until now I lusted for her.

Sitting in the class, watching and listening to Ms. Garrett, fantasizing about after class, I would start to get aroused. First I could feel my heart beating faster, then a deep clenching in my groin, followed by a clenching in my throat. Slowly my

cock would start to grow, and feelings of pleasure would start to wash over me, even though I was not even stroking myself. At the start of semester, this would have been agony - being so horny, but being in the class and not being able to do anything about it. Of course, what I wanted to do was to wait until I was excruciatingly horny, and then lean back and slowly unzip my tented pants, and extract my stiff cock and swollen balls. Then I would reach down and stroke my cock, all the while thinking about pulling Ms. Garrett jeans off and slowly sliding into her.

The way I imagined it, I would be so horny and tense that one slow slide into her sweet wet sex would take me to the edge and once my balls touched her ass I would start pumping uncontrollably. However, the agony of being so horny in class had been reduced because I had recently started to do something new at school, and that was to leave the class and go and jerk off in the toilets. I thought it was kind of weird, but it certainly spiced up boring classes, and it added an immediacy to my worship of Ms. Garrett.

Having to 'pee' once again, I raised my hand and asked if I could use the rest room. She released me from class and I stood up and left. I got the end of the hall and was about to walk into the student toilets when I saw that they were out of order. I couldn't see what was going on inside but there was a sign on the door. I was getting a little worried: my cock, which was quite thick, was difficult to hide, and I needed to get into a stall. I

looked around, and across the way I saw the staff toilet door. I looked around, and, not seeing any teachers around, I went in. Inside were two cubicles, and a wash basin. I entered the far cubicle and closed the door. The cubicle was clean, unlike the student toilets, although the panel in between the cubicles was damaged somewhat.

At certain angles I could see through into the next cubicle. "No biggie," I thought - I was in a hurry to come and get back to class. I put both toilet seats down, and sat on the lid. I undid my pants and pulled down my boxers, to reveal my cock. Coming into the bathroom had been a bit stressful, and my erection had gone down. My cock lay sideways, fat and long over my thigh like a beached whale. As I watched it, it started to pump itself up like a balloon, up and down, up and down, until in a minute it was standing at full attention. I took my left hand, and wrapped it around the top half of my shaft. My head still stuck out the top, flaring and pulsing as some precum oozed down and pooled on my balls.

I started to stroke, enjoying the feeling of each slow movement up and down. I watched as the skin pulled taught on the down strokes, and felt my balls lift on the up strokes. I thought of Mrs. Garrett standing with her back to me, pulling her jeans down, revealing her tight heart shaped ass. She would step back wards towards me, and slowly begin to sit down on my desperate throbbing pole. As her heavenly ass descended, her pussy would spread more and more to accommodate my girth. She would then she sliding downwards, seemingly endlessly, more and more, until her

ass was on my lap, me totally inside her. As she touched down, she would let out a sigh and gently revolve her hips, as if to get more comfortable, and this would coincide with me pulling my shaft down slowly very firmly.

This image was too much for me, and I grunted and spasmed as I felt a huge wave of pleasure wash up my body, and my twitching member started slinging sperm all over the stall. I frantically covered the head with my hand, and felt the warm goo on my fingers, then on my shaft and pool on my balls. After a final tremendous heave the pleasure started to subside, but I longingly kept pumping myself for a few more seconds.

"Good heavens, Trey Olsen! What's going on in here?" a stern female voice said. My eyes jerked open and I was shocked to see the stall door had opened, and that Ms. Graham, my Marketing professor, was standing there with her hands folded, looking into my stall. How had she opened it? How had I not heard her come in? I don't know. All I know is that I was sitting on the toilet in a cum covered cubicle, my sizable cock in my hand and that I was looking very dishevelled and quite guilty. "Uhhh... Ms. Graham! Nothing! I wasn't doing anything" I started to splutter while zipping up.

"That is a very interesting, 'Nothing' Olsen. Do you know what will happen if I take action on this? Masturbation in the toilets is certainly not allowed!" she said severely, stepping into the stall.

"I'm really sorry Ms. Graham, I'm not sure how that happened. The other toilets were under re-

pair and I came in here to..." I said, not knowing what more to say, so I kept gabbling. To no avail.

"I have been watching you, Olsen." she said quietly, taking another step into the stall and towards me. She unzipped her skirt, and the material strained as she pulled it down over her ass and thighs. She was wearing a thong which struggled to hold on to the expanses of her flesh and I immediately could smell her warm sex. My throat tightened as I imagined what she was be going to do. She roughly grabbed my shirt and pulled me forwards off the toilet and shoved me onto the floor.

"If you don't want me to report you, then do as I say and everything will be fine." she said curtly, and with that she stepped over me, and pushed my head back so that it was it was resting on the toilet and I was looking at the roof. She pulled her thong aside to reveal her dripping pussy, and then with one foot on either side of me she lowered herself down onto my face. I could not believe what was happening. Did Ms. Graham just sit on my face? I could not think clearly because my ears were covered by her thighs. My mouth was filled with a warm slippery mess of her sexual fluids, and all my eyes could see were the two large lobes of her breasts, which had broken free from the shirt and were hanging above me.

She moaned as my tongue found its way into her moist slit. She reached down with both hands and clenched my hair and slowly started to gyrate on my face. She started first with her dripping pussy lips, which she slowly wiped all over my face. Then as she got more and more excited, her gyrations

became longer and firmer, so that her clit would slide up my face, followed by her pussy, and then her ass. Within minutes, Ms. Graham was smashing herself deeply into my mouth and across my face, up and down, up and down, and moaning loudly. My mouth and nose were filled with the taste and smell of her warm tangy cum, and with each thrust her boobs bounced on and off her chest... hung in the air, and then fell and bounced off her chest again.

Soon, Ms. Graham was screaming and slamming herself into me very hard and my head was banging loudly on the toilet seat. As I began to spurt even more of my own cum all over her pussy and stomach, she let out a great howl and began to shudder, and I felt my face covered in her cum as her beautiful pussy pumped out its sweet syrup. She sat back on my face panting for a few seconds and unrolled some toilet paper to wipe off her back before standing up and buttoning her shirt. She ordered me to get off the floor and stepped back.

"Well Olsen, you had better get back to class," she said, pulling up her skirt and doing up the zip.

She grabbed the roll of toilet paper and tossed into onto the floor next to me. "Every time I catch you beating off in the toilets, I will fuck your face. Got it?" she said as she crabbed my cock and squeezed it hard.

"Good," she said standing just outside the stall door, then turned on her heel and left the bathroom. I washed my hands and went back to class.

I do what I can. I do it every day to be better at what I do. And, I have to admit, one of the best things I do is play with myself. I love it. All of you will admit that no one does you better than yourself. And I like to do myself, at least three or four times a day. I'll even wake up in the middle of the night and rub one off. A whole lot of fun.
